5. Report on Women's Walk 2025: Linda Enderlin
 - It's crazy that the Walk is 2 ½ weeks away! 25 pilgrims! So excited, hope we get more. God has a plan so will be happy with what the number we end up with.
 - Last meeting this Saturday 9/13. We will have 6 talks to preview. One team member was sick last meeting so will preview that talk this weekend.
 - Miranda Rogers was sick last meeting and has to go to training for Global Methodist this weekend so will have to miss this meeting also. With missing 2 meetings, I talked to her and have dismissed her from the team. She was very relieved, her platter was overflowing. I contacted Gay Cockran, one of our alternates and asked if she could work the walk. She said she would and has also given the talk Changing our World before. She will give that same talk at this walk. She has a funeral to go to on Saturday but has sent me the talk and I will preview it Saturday.
 - Ronnie has printed the name tags and they look great!
 - I have the cross that Troy made and it looks so awesome. It is made out of walnut and the detail is breathtaking!
 - The coffee mugs are finished and they also turned out great!
 - Bob has the menu done.

- So blessed that the preparations are going well and we only have a few other things to finish.
